# SYMPHONY SHOWHOUSE AT PARKSTONE!

The Women's Association of the Wichita Symphony announced its next Symphony Showhouse...ParkStone at College Hill, right in the heart of the Douglas Design District. The talents of dozens of Wichita's premier designers, decorators and artists (including many from our District) will be showcased in four brownstones open for public tour from May 31 through June 21, 2009. Under the coordination of the Women's Association of the Wichita Symphony, this project will involve nearly a thousand volunteers with over 17,000 people expected to tour the Showhouse.

ParkStone is a new development at Douglas and Rutan that is planned to include approximately 40 three-story Brownstone style residences and an estimated 84 condominiums. ParkStone at College Hill is under the management of Loveland Properties, LLC, and a member of Douglas Design District.

Symphony Showhouse XVI is unique in that it will feature four brownstone units, each decorated in a different décor style. The first unit will impress its visitors, being beautifully decorated in French Country Style. Old World Style is the theme of the sure-to-impress second unit. The Contemporary Style third unit will definitely be chic and full of pizzazz. The fourth unit will make an impact as it highlights a Traditional Style décor. Additionally, visitors will be able to dine in the Tea Room, shop Dandurand Boutique at the Symphony Showhouse, or make purchases from Designer Sales.
