The Douglas Design District has embarked upon an ambitious plan to revitalize and beautify East Douglas Avenue – from Washington to Oliver. The Douglas Design District (DDD) and the City of Wichita are actively engaged in developing The East Douglas Avenue Improvement Plan.

Highlights of the plan are:

- Protect and enhance historical character
- Promote safety and security
- Identify cohesive design elements
- Coordinate the design, maintenance and implementation of the elements
- Implement sustainable, "green" practices
- Create a comprehensive, urban Avenue

One of the attractive design elements in the streetscape will be the addition of twenty-four benches (See attachment). The cost to purchase each bench and install the concrete pad will be \$1,500.00 per bench. DDD has obtained a grant that will pay for 80% of the cost of each bench. We are recruiting twenty-four individuals, families or businesses to sponsor a bench and installation at the cost of \$300.00 (remaining 20%). Our desire is to dedicate each bench with a plaque or an etched brick or stone embedded in the concrete, identifying the sponsor. This might be an individual, a grandchild, a deceased or living loved one, a local business, etc.

*Your \$300.00 contribution will be fully tax deductible.*

I hereby commit to sponsoring \_\_\_\_ (#) bench(es) @ \$300.00 per bench for a total of \$\_\_\_\_\_.  
Make my bench(es) dedicated to, or in the name, of:

\_\_\_\_\_ / \_\_\_\_\_

My name is: \_\_\_\_\_

Address: \_\_\_\_\_

Phone: \_\_\_\_\_ Cell: \_\_\_\_\_

Email: \_\_\_\_\_

*Committed funds will be due at the time of bench installation.*
